Nuance and Nuance Pro gel pillows masks

With Respirationics Nuance, you can now experience the greater comfort and seal gel provides in a pillows cushion, causing less nasal discomfort than the industry leading pillows mask.*

Nuance
with fabric frame

With fabric (Nuance) and gel frame (Nuance Pro) options, non-slip headgear, and the ability to fit many different size nostrils, these gel pillows masks are designed to give you a new choice for comfort and performance.

Nuance Pro
with gel frame

Patients rated Nuance gel pillows easier to assemble, disassemble and use than the leading pillows mask.*

- Gel pillows for better seal and comfort
- Choice of fabric (Nuance) or gel frame (Nuance Pro)
- Non-slip headgear for increased stability
- Lightweight and simple to use
- Appealing, minimalistic design

Respirationics Nuance is available by prescription only. As with any mask or interface, users may experience certain types of discomfort or irritation. Talk to your doctor to determine if it is right for you. Be sure to ask your homecare provider for more information about Nuance.
